FOR YOUR INFORMATION:

There is a Conduct Policy in place at the Senior Center. This policy was put into effect in 2009. Since several years have passed and we have additional members, we felt it would be a good idea to make all aware of this policy.

The following is the policy as it was published in the October 2009 Senior Informer:

“The Senior Center Advisory Board and staff have developed a new policy concerning conduct while attending the Senior Center. Violence and abusive language to others WILL NOT BE TOLERATED at the Senior Center. Participants come to the Center to have fun and socialize with others and not to be victims of any type of misconduct. Effective immediately, if there is any type of abusive language toward another participant or staff member you will be asked to leave and you will not be permitted back at the Center for any activity or program for 30 days. If a violent act has occurred, that will be cause for immediate removal from the Center and your membership will be terminated.”

We want the Senior Center to continue to be an enjoyable place for all to attend.

Recycling Program

Community Action now has a paper recycling bin located by the end driveway of the main office building. To enable us to keep the bin we need everyone to place their old newspapers, magazines, junk mail and shredding into the dumpster! Spread the word to your friends and family, they can place their items in the dumpster too!
